The legal and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the Memorandum and Articles of Association and the Statement of Recommended Practice - Accounting and Reporting by Charities.

Structure, Governance and Management

The organisation is a charitable company limited by guarantee. It was incorporated on 13 March 2003 and registered as a charity on 3 September 2004.

The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association.

Directors and trustees

The directors for the purpose of company law and trustees for the purpose of charity law, who served during the year and up to the date of this report are set out on page 1.

Recruitment and Appointment of new trustees

Under the requirements of the Memorandum and Articles of Association the trustees are elected to serve for a period of three years after which time they must be reelected at the next Annual General Meeting.

Risk management

The trustees carry out an annual review of the risks which the charity may face and have established systems and procedures designed to minimise any potential impact on the charity should any risks materialise.

Report of the directors and trustees for the year ended 31 March 2006 (continued)

Objectives and Activities

The company's objects and principal activities are as follows:

To relieve the suffering of cancer patients and improve the provision of cancer care within the Kent area particularly but not exclusively by the following:

- 1. The promotion of the development and training of cancer clinicians, medical staff and students in the disease.
- 2. The promotion of research into the cause and treatment of cancer and the dissemination of the results with a view to the development of new treatments and diagnostic aids.
- 3. The advancement of education and awareness of the public in the cause and treatment of cancer.
- 4. Such other assistance as the trustees shall deem necessary.

The main activities for the year have been to develop mechanisms that will enable supporters of our aims and objectives to give readily and easily. We have therefore focussed on the preparation of brochures, leaflets and posters and in the development of a website that enables contributions to be given safely and securely. Using this material we hope to expand our fund raising activities during the current year.

Achievements and performance

We are pleased to report progress in our plan to develop Kent Cancer Trust and while progress has not been as speedy as we might have wished nonetheless we have managed to increase our income during the year and wish to thank all those whose donations have made this possible.

We now have an operational website, <u>www.kentcancertrust.org.uk</u>., and plan to expand our fund raising during the coming year.

Financial Review

Reserves Policy

Given the limited funds available to the charity at this point, no formal reserves policy has been adopted, but the intention is that spending commitments will be fully covered before they are undertaken.

Investment Powers

The trustees and directors have the power to invest monies of the organisation in such investments as may be thought fit.

Directors' responsibilities in relation to the financial statements

Company law requires the trustees to prepare financial statements that give a true and fair view of the state of affairs of the charity at the end of the financial year and of its surplus or deficit for the financial year. In doing so the directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the Companies Act 1985. The directors are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
